# Powering Namibia's Energy Future - Oil & Gas Conference

The Namibia Oil & Gas Conference 2025 provided an important platform for dialogue, knowledge sharing, and collaboration within one of the nation's most strategic sectors. Bank BIC Namibia was proud to participate in this landmark event, demonstrating how finance plays a critical role in advancing energy development.

Across the three days, our team engaged with industry leaders, government representatives, and entrepreneurs, exchanging perspectives on the opportunities and challenges shaping Namibia's energy landscape.

We highlighted how Bank BIC's tailored financial solutions, from corporate finance to investment support, can accelerate projects across both oil and gas, as well as renewable energy initiatives.

We were also privileged to be joined by colleagues from Banco BIC Angola, whose presence not only strengthened our regional footprint but also reinforced our shared vision of partnership-driven growth. Together, we showcased how sustainable banking can unlock investment, empower businesses, and help shape the future of Namibia's energy economy.

## Ongwediva Annual Trade Fair

The Ongwediva Annual Trade Fair 2025 marked another milestone for Bank BIC Namibia as we proudly took our services directly to the people. Our stand became a hub for meaningful conversations, from first-time clients eager to open accounts to established entrepreneurs exploring business finance options. Through one-on-one interactions, our team was able to listen closely to the community's needs, address questions, and provide practical guidance on how our products and services can support both personal and business growth.
